

## 2011 AAAS Convention Evaluation Form

Due to the continued growth of our convention we are faced with determining the direction and location of future conventions.

We are unclear from our delegates what is important to you. We've heard different opinions from our delegates as to whether the convention should continue to move around the province or if it should be held in a location that can host the majority of the delegates and sessions.

The following questions will help us determine the future direction we should take.

Please rate the following on a scale of 1 – 5. 1 being strongly agree and 5 being strongly disagree.
